

CATHY AUBUCHON MINISTRIES

Cathy loves to share about God and the joy, peace and power available in Him. Her heart's desire is for people to receive the Lord, be excited about their faith, and to help cultivate in them a thirst for God and His Word.

Cathy is the founder and president of Global Rain International Ministries and Walk free Conferences. She began ministering the Walkfree Conferences at Evangel World Prayer Center in Louisville Kentucky, where she ministers as an Associate Pastor.

In addition to her pastoral and counseling service at Evangel, Cathy is an internationally-known evangelist and conference speaker. She enjoys traveling nationally and internationally equipping Christian believers and leaders as she ministers in services and in conferences in the areas of the joy and freedom we have in Christ.

Cathy's natural warmth and love for people is evident. She is being used by God as she speaks and ministers in meetings and events. People say Cathy is a 'vibrant', 'dynamic,' and 'engaging speaker, who shares from her life and her heart with 'transparency, vulnerability and humor.'
